

### Exercise 1: Identify the note in Alto Clef

| a)                                                                                | b)                                                                                | c)                                                                                 | d)                                                                                  |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |  |
| <b>F</b>                                                                          | <b>A</b>                                                                          | <b>C</b>                                                                           | <b>E</b>                                                                            |

### Exercise 2: Circle the correct clef of these notes

| a). G                                                                                                                                                                                                                                                       | b) B flat                                                                                                                                                                                                                                                   | c) G sharp                                                                                                                                                                                                                                                    | d). E                                                                                                                                                                                                                                                             |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                                                                                                          |                                                                                                                                                                          |                                                                                                                                                                           |                                                                                                                                                                              |
|    |    |    |    |

### Exercise 3: Compare bars A, B and C then circle True or False for each statement.

| A                                                                                   | B                                                                                   | C                                                                                     |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|  |  |  |
| a) A is one octave higher than C                                                    |                                                                                     | <input checked="" type="radio"/> TRUE <input type="radio"/> FALSE                     |
| b) B and C are at the same pitch                                                    |                                                                                     | TRUE <input checked="" type="radio"/> FALSE                                           |
| c) A is one octave lower than B                                                     |                                                                                     | TRUE <input checked="" type="radio"/> FALSE                                           |
